Combining DLSS and DLMS Manuals

Combining DLSS and DLMS Manuals

- **Background:**

- **DLSS/DLMS procedures are covered by multiple sets of manuals**
- **DoD 4140.1-R mandates move to DLMS procedures**
- **DoD Components are migrating to the DLMS**
- **Maintaining two sets of publications, which contain essentially the same information for the different formats, is resource intensive, duplicative in nature, and no longer practical**
- **DLA Logistics Standards Management is in the process of combining DLSS manuals with DLMS**

Combining DLSS and DLMS Manuals

- **Combined DLSS/DLMS Manual:**

- Will maintain visibility of DLSS peculiar terminology where applicable
- Effort will be made to better align DLMS Volume 2 chapter structure to that of the present DLSS (MILSTRIP/ MILSTRAP) chapter structure
- Once combined, appendices covering DLSS codes and formats will be removed from manuals and reside on the DLMSO website (location TBD-probably DLM pages and DS page)

- **Status of combining DLSS with DLMS:**

- DoD 4000.25-1-M MILSTRIP combining w/DLMS Vol 2 Supply Stds & Procedure
 - ✓ Effort has begun
- DoD 4000.25-2-M MILSTRAP combining w/DLMS Vol 2 Supply Stds & Procedure
 - ✓ Effort underway
- DoD 4000.25-6-M DODAAD Manual has been moved into DLMS Vol 6, Chapter 2 (see ADC 251)
- DoD 4000.25-7-M MILSBILLS Manual has been moved into DLMS Vol 4 Finance (see ADC 469)
- DoD 4000.25-8-M MAPAD Manual has been moved into DLMS Vol 6, Chapter 3 (see ADC 336)
